INFORMATION DISCLOSURE STATEMENT

Enclosed is the International Search Report (3 pages) from the European Patent Office as the international searching authority from the present international application listing 6 references and their relevant portions.

In the International Search Reports all the references are listed in category A mean that these references define the general state of the art which is not considered to be of particular relevance with respect to the listed claims. The International Search Report is also in English and points out relevance of the references so no further relevance is necessary to be pointed out. One of the references, namely WO 95/26306 is also disclosed and discussed on page 1+ in the specification.

Since the International Search Report is in English and the relevant portions of these references are pointed out there in English, and further the three US patents are in English, no further pointing out of relevance is needed.

PTO-1449 form is presented listing all 7 references being submitted herewith including one reference DE 100 63 522 disclosed and discussed on page 1+ of the specification. Translations of the foreign language references are not available to the undersigned.

This submission meets the requirements of 37 CFR §1.56, 1.97 and 1.98(a) and MPEP 609.

Respectfully submitted
Udo Suffa
